GENERAL MOTORS, LLC,  
Defendant-Appellant.

---

On order of the Court, the application for leave to appeal the June 25, 2014 order of the Court of Appeals is considered and, pursuant to MCR 7.302(H)(1), in lieu of granting leave to appeal, we REMAND this case to the Michigan Compensation Appellate Commission for additional analysis. The Appellate Commission failed to address all of the issues raised by the defendant. On remand, the Commission shall address the defendant's argument that the plaintiff's loss of wages at the level she had been earning them with the defendant prior to the onset of her disability was, at least following her recovery from hand surgery, attributable to her voluntary participation in the special attrition program, which severed her right to employment by defendant as of January 1, 2007. In all other respects, leave to appeal is DENIED, because we are not persuaded that the remaining questions presented should be reviewed by this Court.

We do not retain jurisdiction.
